LET’S TRANSFORM YOUR UNIQUE STYLE INTO SPACE YOU TRULY LOVE

Step 1 of 7

Choose Your Room to Begin Your Design Journey

Start with the space that matters most

Living Room

Bedroom

Dining Room

Home Office

Background turns light green when room selected

Nursery

Entry

(We would like these boxes to have a nice effect where it cascades into the window)

YOUR HOME SHOULD REFLECT YOU — THERE'S NO ONE-SIZE-FITS-ALL IN DESIGN

Select the design style that feels most like you

Design decisions can feel overwhelming. Let's make it easier. Check up to 2 boxes.

We do not have these Final Renders yet, please use the photos you see below

MIDCENTURY SCANDI

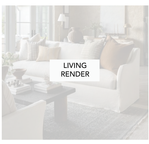
Step 2 of 7

NEXT

Select the style that feels most like you

Decisions are hard. Check up to 2 boxes.

MIDCENTURY SCANDI ☐



Key Characteristics Arrow points down when "Key Characteristics are expanded"

Mood Words

Vintage, retro, functional, warm, clean, natural, refined

Textures

Woods are a staple like oak and walnut, often paired with leather, durable wools, cotton and matte metals

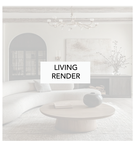
Furniture

Furniture has clean lines, soft curves, and minimalist forms, with natural wood finishes and tapered legs that add timeless warmth and function.

Color Palette

Soft neutrals like off-white, warm beige, and light grey form a timeless base. Accents in sage, teal, mustard, burnt orange, and burgundy add retro warmth and contrast.

ORGANIC MODERN ☐



Key Characteristics

Mood Words

Earthy, uncluttered, tranquil, zen-inspired, textural, rounded edges, plush, minimalistic

Textures

Breathable linens, soft cotton, cozy bouclé paired with warm oaks, tactile rugs, neutral matte stones, clay & plaster

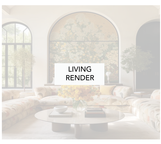
Furniture

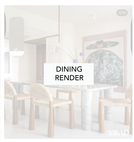
Furniture features low-profile, minimalist designs with soft curves and sculpted edges, replacing harsh modern angles.

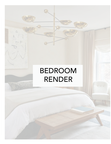
Color Palette

Whites, bones, chalks & earthy neutrals with small nature-inspired accents of sage, terracotta

ARTFUL ECLETIC ☐







Key Characteristics

Mood Words

Unexpected, playful, expressive, soulful, layered, creative, vibrant, bold, eclectic

Textures

Mixed fabrics of velvet, linen, silk/satin accented with paterned textiles, rugs, natural distressed materials, lacqured surfaces, and glamorous metals/mirrors

Furniture

Harmonious yet mismatched pieces with a mix of eras (vintage & modern), styles and global inspired designs

Color Palette

Jewel tones add drama and depth, grounded by neautrals like charcoal, ivory, warm browns, white, & black

MODERN FARMHOUSE ☐

Key Characteristics

Mood Words

Rustic, casual, heritage-inspired, cozy, wholesome, vintage charm, worn-in

Textures

Distressed and whitewashed woods, matte stones, exposed brick, butcher blocks, knits, boucle, woven wool, cotton and linen

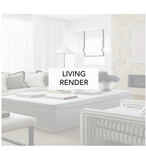
Furniture

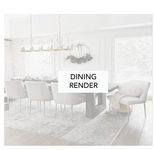
Oversized armchairs, plush slipcovered sofas that invite relaxation with built-in storage

Color Palette

Foundational neutrals of creamy white and greige, contrasting accents of black metals and nature inspired hues of deep green, pale blue and terracotta

WARM TRANSITIONAL ☐





Key Characteristics

Mood Words

Timeless blend of traditional and modern, with tailored comfort and understated elegance that's refined, classic, and polished

Textures

Polished metals, rich woods, velvet upholstery, chenille, bouclé, silk drapes, and veined marble surfaces

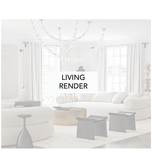
Furniture

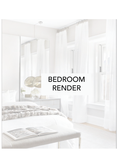
Combines traditional curves with modern clean lines, subtle nailhead trim, piping and metal knobs

Color Palette

Creamy white, warm greige, charcoal grey, espresso brown, bronze, brushed gold, antique nickel, soft blush, mauve, pewter, sage green, dusty blue, slate blue

MODERN LUXE ☐





Key Characteristics

Mood Words

Sophisticated, minimal yet rich, polished, glamorous, refined, sleek, chic, upscale, curated

Textures

Plush velvet, vegan furs, high permormance linen, leather, laquered surfaces, smooth woods & finishes, polished or honed marbles, quarzite and travertines

Furniture

Clean sculptural lines, sleek silhouettes, gentle curves, architectural forms, statement pieces, art-inspired design, polished finishes, high-end materials, luxury accent chairs, curated furniture

Color Palette

Ivory white, bone white, warm taupe, greige, putty beige, charcoal grey, matte black, espresso brown, brushed gold, antique brass, emerald green, sapphire blue, dusty rose, muted mauve

There are different Key Feature slides based on the room type that the user selects

This slide is if the user chooses "Living Room"

(We would like these boxes to have a nice effect where it cascades into the window)

Step 3 of 7

NEXT

Step 5 of 7

Vibe Check

Upload photos from Pinterest

Generate your room design based on a Pinterest board or images

Drag and drop or add photos

Add Link

Background turns light green when cursor hovers over

BACK

"Next" button changes from light grey to Teal ackground & White Letters when mouse cursor hovers button

NEXT

Step 6 of 7

Design Preferences? We got you

Share what matters most in your space.
We'll make sure it shows up in your design.

We would like the text to type in bullet by bullet

For example:

- *I am looking for a an area to put my dog bed*
- *I would like a tranquil bed design with calming colours*
- *I want to create an area to read my books*

BACK

"Next" button changes from light grey to Teal ackground & White Letters when mouse cursor hovers button

NEXT

YOU MADE IT TO THE FINAL STEP

Add an effect to make this line stand out when the slide opens (For example it can bounce in)

Add uploading a photo is optional

Upload a photo of your space

Background turns light green when photo is uploaded

Add Photo

See Example

Upload your floorplan

Background turns light green when photo is uploaded

Add Plan

See Example

BACK

"Next" button changes from light grey to Teal ackground & White Letters when mouse cursor hovers button

NEXT

EXAMPLE PHOTO

Eliminate Clutter

Make sure the room is free of clutter
The less furntiure the better

Capture a Wide View

Step back to show the whole space

Let There Be Light

Take photos during the day for good lighting

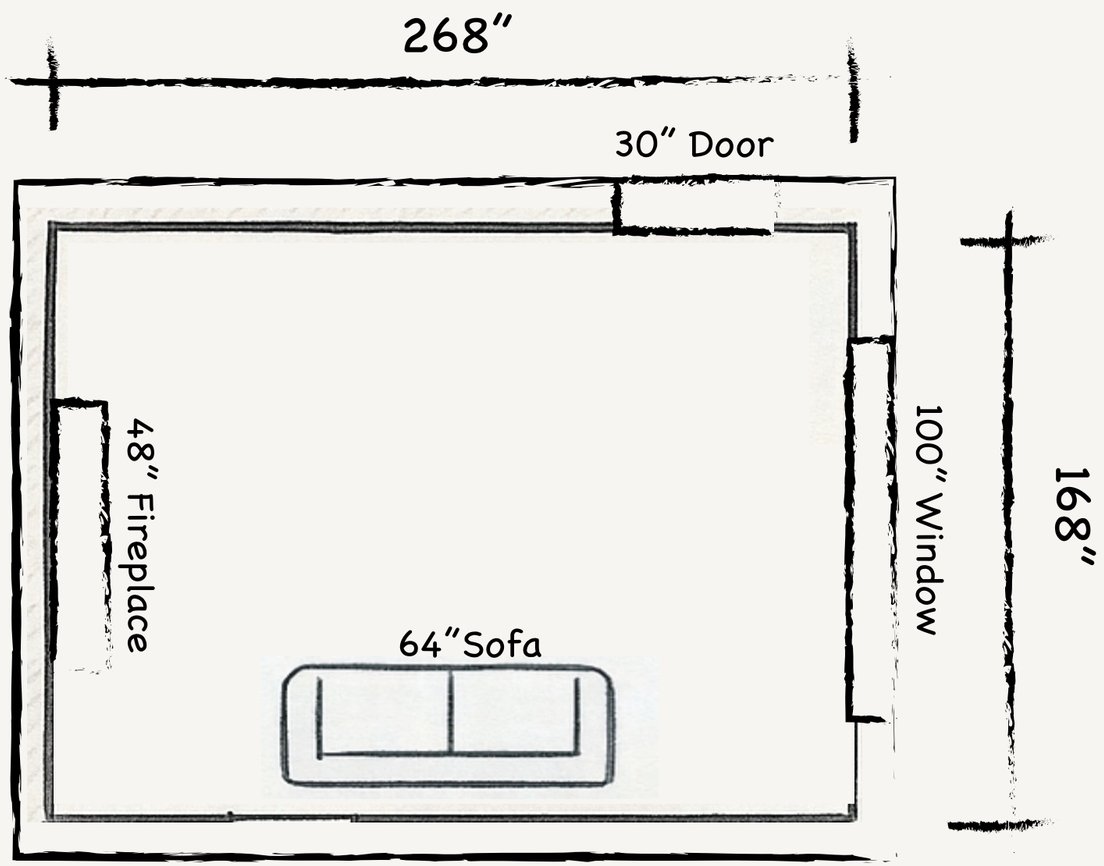
This is the window that opens as a pop-up when user clicks “See Example” for “Add Photo”

EXAMPLE PLAN

Keep it Simple
Use plain paper and a black pen or pencil

Basic Measurements
Label the length and width of walls in feet or inches

Include Door and Windows
Mark where doors and windows are located so we know how furniture should flow.



This is the window that opens as a pop-up when user clicks "See Example" for "Add Plan"

YOUR HOME SHOULD TELL THE STORY OF WHO YOU ARE

✨ Your Curated Space is Almost Ready

We want these 4 dots to bounce up and down to show that their design is loading

We would like these different paragraphs to slide in and replace one another while their design is “loading”

“Did you know?” stays stagnant as paragraph changes

DID YOU KNOW?

Every piece of furniture we recommend is handpicked by professional interior designers — not an algorithm.

1st Paragraph shown

Image stays stagnant as paragraph changes

YOUR HOME SHOULD TELL THE STORY OF WHO YOU ARE

✨ Your Curated Space is Almost Ready

We want these 4 dots to bounce up and down to show that their design is loading

DID YOU KNOW?

All of our designs feauture real, shoppable furniture — what you see is exactly what you can get.

2nd Paragraph replaces 1st paragraph

YOUR HOME SHOULD TELL THE STORY OF WHO YOU ARE

✨ Your Curated Space is Almost Ready

We want these 4 dots to bounce up and down to show that their design is loading

DID YOU KNOW?

With over 300 premium Canadian vendors, your design is never limited to just one store's inventory.

3rd Paragraph replaces 2nd paragraph

Your Dream Room is Ready

Platform to automaticallly add Room Type and Room Style based on users selection

Here is your personalized design for your *[Room Type]*.
Styled for you in *[Room Style]*, matched to your budget.
